Dear Mr. Dulles

As a high school junior, taking American History I, I have selected as the subject of my annual term paper, "The Relation of the Federal Bureau of Investigation and the Armed Forces Intelligence Services to Each Other in War and Peace." Because this is a detailed and secret subject, I have not been able to find much written information. I wonder if it would be possible for you to send me any available information, or a list of materials where I might obtain the needed information on this subject.

Thank you very much for your consideration and cooperation.

Sincerely yours,

Carol J. Koenig
